Discharges, or potential discharges of waste from timber harvesting on private lands within the North Coast Region must be permitted under either Waste Discharge Requirements or Waivers of waste discharge requirements. Following plan approval by CAL FIRE, and prior to beginning timber harvest activities, **landowners must apply for coverage under the General WDRs (Order No. R1-2004-0030), the Categorical Waiver (Order No. R1-2009-0038), an individual waiver or WDR, or in some cases a Watershed-wide WDR.**

Copies of the GWDR and Waiver, as well as other timber related information, can be found at the following web address:
